### ADVANCED CARDIAC LIFE SUPPORT 1-Day Renewal Course

FEE: $150  
FL EMS #20-295362

Designed for the experienced provider, this is a fast-paced course covering sudden cardiac arrest and other cardiac emergencies, utilizing case-based scenarios. Learners must already have ACLS Provider card.

| Jan. 8 (Fri.) | Mar. 2 (Wed.) | May 17 (Tues.) |
| Feb. 5 (Fri.) | Apr. 18 (Mon.) | Jun. 7 (Tues.) |
| Feb. 24 (Wed.) | May 16 (Mon.) | Jun. 8 (Wed.) |

### ADVANCED CARDIAC LIFE SUPPORT & BASIC LIFE SUPPORT 2-Day Combined Provider Course

FEE: $200  
FL EMS #20-295375 / Nursing & RT #20-168030

This course covers the skills and knowledge necessary to manage the first 15 minutes of sudden cardiac arrest and other cardiac emergencies, utilizing nine case-based scenarios. The interpretation and management of dysrhythmia are heavily stressed. BLS-Healthcare Provider certification is included. New / renewal training.

| Jan. 20 & 26 (W/T) | Mar. 15 & 21 (T/M) | May 10 & 13 (T/F) |
| Feb. 17 & 23 (W/T) | Apr. 12 & 15 (T/F) | Jun. 22 & 28 (W/T) |

### BASIC LIFE SUPPORT & ADVANCED CARDIAC LIFE SUPPORT On-line Options

FEE for BLS e-Course and Skills Verification: $75  
FEE for ACLS e-Course and Skills Verification: $175

The American Heart Association (AHA) offers self-directed, comprehensive eLearning programs, via the Internet:
- BLS for Healthcare Providers Online part 1
- HeartCode® ACLS Part 1

which are completed and then followed by an in-person demonstration of skills competency at an AHA training center.

Learners may obtain both the course key and completed skills verification through the Gordon Center for BLS or ACLS. Skills verification is done by appointment and ordinarily takes no more than 30 minutes. Available dates are listed in the next section. Select BLS or ACLS e-Course and Skills Verification when registering at www.gcrme.miami.edu.

### PEDIATRIC ADVANCED CARDIAC LIFE SUPPORT 1-Day Renewal Course

FEE: $150

This is a 1-day American Heart Association refresher course for those with a current PALS provider card. The video-based, instructor-led course uses a series of simulated pediatric emergencies to reinforce the important concepts of a systematic approach to pediatric assessment, basic life support, PALS treatment algorithms, effective resuscitation and team dynamics.

| Feb. 9 (Tues.) | Mar. 24 (Thurs.) | May 18 (Wed.) |
| Feb. 12 (Fri.) | Mar. 29 (Tues.) | May 23 (Mon.) |
| Feb. 22 (Mon.) | Apr. 1 (Fri.) | May 26 (Thurs.) |
| Feb. 26 (Fri.) | Apr. 5 (Tues.) | Jun. 1 (Wed.) |
| Mar. 7 (Mon.) | Apr. 21 (Thurs.) | Jun. 6 (Mon.) |
| Mar. 8 (Tues.) | Apr. 25 (Mon.) | Jun. 24 (Fri.) |
| Mar. 22 (Tues.) | Apr. 26 (Tues.) | Jun. 29 (Wed.) |

ADVANCED STROKE LIFE SUPPORT® 1-Day Provider & 1-Day Instructor Courses - NEW 11th edition

FEES Prehospital: $175 Provider Course / $200 Instructor Course / $300 for both
FEES Hospital-based: $200 Provider Course / $225 Instructor Course / $350 for both

The provider course addresses the prehospital, emergency department, and stroke unit management of patients with acute stroke. Using interactive discussions, hands-on workshops, multimedia and standardized patients, the course includes rapid recognition of five major stroke syndromes and use of a focused neurologic evaluation to identify stroke, its location, severity, and thrombolytic therapy considerations in acute ischemic stroke patients. Those wishing to become ASLS® instructors must complete both a provider (scoring 84% or higher) and instructor course and be aligned with a registered ASLS®.

PROVIDER:
Jan. 11 (M) ● Mar. 16 (W) ● Apr. 13 (W) ● May 24 (T) ●
INSTRUCTOR:
Jan. 12 (T) ● Mar. 17 (Th) ● Apr. 14 (Th) ● May 25 (W) ●

ACUTE CORONARY SYNDROMES WITH 12-LEAD ECG 1-Day Provider Course

FEE: $175

This course teaches participants a rapid and systematic approach to the prehospital evaluation and management of patients with acute coronary syndromes (ACS). Pathophysiology, clinical assessment, 12-lead ECG performance and interpretation, indications and contraindications for thrombolytic therapy, and field treatment are reviewed. Interaction is key, through hands-on ECG performance, case-based workshops, an interactive training scenario, and the presentation of heart and lung auscultatory findings in ACS patients.

Jan. 25 (Mon.) ● Jan. 29 (Fri.) ● Feb. 4 (Thurs.) ●
Jan. 27 (Wed.) ● Feb. 3 (Wed.) ● Feb. 11 (Thurs.) ●

Visit www.e-gcrme.com for our selection of web-based courses, free to Florida responders.

REGISTRATION:

All live classes take place at the Gordon Center for Research in Medical Education, 1120 N.W. 14 St., first floor, from 8:00 a.m. until 5:00 p.m., unless indicated otherwise. Our Board of Nursing Provider Number is FBN 50-329. Our CECBEMS provider number is UMIA0005.

Classes are subject to cancellation or rescheduling if minimum registration is not achieved.

Fees: Course materials are included, unless otherwise noted. With the exception of the web courses for Florida responders, prepayment of tuition or prior arrangement for departmental billing is required. MasterCard, Visa, American Express and Discover Card are accepted. AHA course materials should be picked up in advance; shipping charges are additional.

Refunds: Refunds or credit for future classes will only be issued with notification of withdrawal at least two days prior to the date of class. Requests for refund must be in writing, include the reason for withdrawal and be received no later than 30 days following withdrawal. Tuition will be refunded minus 15% for administrative costs plus the cost of any course materials provided. Should a class be cancelled or rescheduled, the course fee is refundable in full upon request.

To register: Just click on the Emergency Training heading on the home page at www.gcrme.miami.edu, click on Courses, and select from the menu on the left, organized by discipline.

Contact: 305-243-6491 or umemst@gcrme.miami.edu for more information.

Basic Life Support, Advanced Cardiac Life Support and Pediatric Advanced Life Support taught at the Gordon Center are approved American Heart Association courses. The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association.

CLASS CANCELLATION POLICY

In the event of an official declaration of emergency status or designation of Hurricane Watch in Miami-Dade County as of 6:00 a.m., any class scheduled on that day will be considered cancelled without further notice. For classes that are cancelled, tuition will be refunded in full or credited for future classes.
